New ATA Members Fees are \$18.00 per year. **Juniors** \$9.00 per year

Special Note:

Juniors may shoot this program for \$1 per event, plus state and daily fees provided they do not play any purse options and they will only qualify for Jr. trophies. They will pay full price if they play for any other trophies or options.

OSATA MAGNUM

The Magnum option is like the perfect 50's. It is only on a 100-target handicap event. There are six ways to win. Each 50 has its own purse, which are as follows:

Traps 1&2 - 1&3 - 1&4 - 2&3 - 2&4 - 3&4

The cost to play is \$18.00, which is \$3.00 per combination and all combinations, must be played. The payoff is 50% of the value of the 2-trap combination. A shooter can win more than one magnum per event. If more than one shooter wins the magnum they all split the 50% payoff. Since this is a state option in which all state ATA clubs participate in amounts are not known until the week of the shoot.

MAGNUM CERTIFICATION

This certifies that the Oregon State ATA has sanctioned Snake River Sportsmen to hold the Oregon State Magnums for their Registered ATA shoot dated March 24th & 25th, 2006. The Club Officials have agreed to abide by the regulations attached to this fund.

New Improvements.

Snake River Sportsmen received a grant from the Oregon Department of Fish and Wildlife to upgrade our trap fields and equipment. The trap pads for fields 2 and 3 have been completely replaced with new concrete and two new Pat trap machines have been purchased and installed on these two fields. For this shoot, all fields will have automatic machines with Canterbury voice releases. We have done considerable work on the trap ranges to improve shooter conditions.

REGISTRATION CERTIFICATION

This certifies that Snake River Sportsmen has been authorized to hold a registered shoot at Ontario, OR on March 24th & 25th, 2007. The Amateur Trapshooting Association rules will govern this shoot and scores will be included in the official ATA records, which will be published in the 2007 Yearbook.
