OSTA MAGNUM

The Magnum option is like the perfect 50's. It is only on a 100-target handicap event. There are six ways to win. Each 50 has its own purse, which are as follows:

Traps 1&2 - 1&3 - 1&4 - 2&3 - 2&4 -
3&4

The cost to play is \$12.00, which is \$2.00 per combination and all combinations, must be played. The payoff is 50% of the value of the 2-trap combination. A shooter can win more than one magnum per event. If more than one shooter wins the magnum they all split the 50% payoff. Since this is a state option in which all state PITA clubs participate in amounts are not known until the week of the shoot.

MAGNUM CERTIFICATION

This certifies that the Oregon State PITA has sanctioned Snake River Sportsmen's Club to hold the Oregon State Magnums for their Registered PITA shoot dated April 8th & 9th, 2006. The Club Officials have agreed to abide by the regulations attached to this fund.

New Improvements.

Snake River Sportsmen received a grant from the Oregon Division of Wildlife to up grade our trap fields and equipment. The trap pads for fields 2 and 3 have been completely replaced with new concrete and two new Pat trap machines have been purchased and installed on these two fields. For this shoot, all fields will have automatic machines with Canterbury voice releases. We have done considerable work on the trap ranges to improve shooter conditions.

REGISTRATION CERTIFICATION

This certifies that the Snake River Sportsmen's Club has been authorized to hold a registered shoot at Ontario, OR on April 8th & 9th, 2006. The Pacific International Trapshooting Association rules will govern this shoot and scores will be included in the official PITA records, which will be published in the 2006 Yearbook.
